gomharsanacht na cathrach. Tá na logainmneacha chomh sean leis an gceol agus is náireach an scéal é go ligfí do na boicíní seo na hainmneacha ársa a chaitheamh i dtraipisí agus cinn áiféiseacha ar nós "Seacrest", "Monalee Heights" agus a leithéidí a chur ina n-áit. Ach tá an milleán faoi seo le cur ar Bhardás na Gaillimhe nach dtuigeann cé chomh tábhachtach is atá na sean-ainmneacha stairiúla seo.

Composition
On my Village
My village is situated near Spiddah. It is a big one. There are twentyone houses in it and nintyfour people. There are six slated houses and fifteen thatched ones. It is a nice village. There are five five two story houses in it. There is a pier and a wood in it. Bohoon is its name. This is the reason it was called Bohoon. There was a small little house in the middle of the village. It was so old that moss grew on all the stones of the wall and there was nothing to be seen of it but all the moss it was then

called Bohoon. There is a river running between it and Spiddah and on each side of it there is a wood. There is one in my village and the other one in Spiddah. There is a balling in it and those people come and playing ball in every day.

Writing could be a good deal improved. Corrections situated, situated, situated, village village, village, slated, slated, slated, stone, stone, stone, pier, pier, pier, because, because, because, of of. boidéanag, boidéanag, boidéanag, ag, that, that that, balling, balling.

Enez Eusa, oileán amach ó chosta na Briotáine. Is air atá an teach solais is cumhachtaí ar domhan.

CAMPAS – idir Inis Oírr agus Enez Eusa na Briotáine

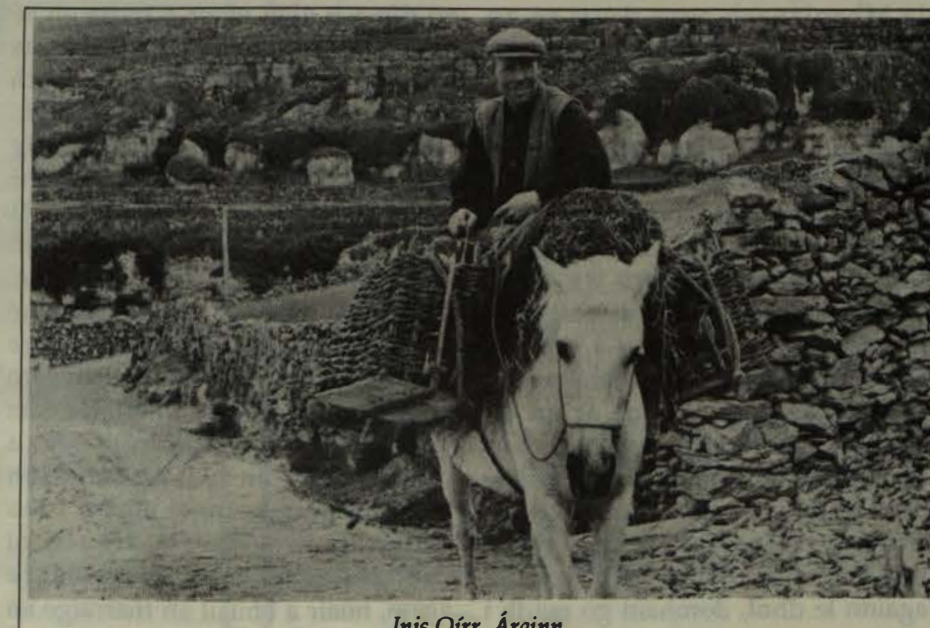

'Séard a chiallaíonn an focal 'campas' láthair nó suíomh ollscolaíochta. Is gluaiseacht an Campas Eorpach Imshaoil a bunaíodh sa bhliain 1990 i measc tíortha an Chomhphobail. Tá sé mar aidhm aige grúpa scoláirí tríú leibhéil ó thíortha éagsúla na hEorpa a thabhairt le chéile chun dul i mbun staidéir i gceantair tuaithe neamhfhorbartha agus i gceantair chathracha atá faoi mhíbhuntáiste. Cuirtear na scoláirí faoi chúram lucht ollscoile agus déanann siad scrúdú ar ghné éigin den timpeallacht a bhfuil baint aige le forbairt eacnamaíochta agus sóisialta.

Tá campas á phleanáil don Samhradh seo chugainn a thabharfaidh dhá oileán le chéile - siad sin Inis Oírr agus Enez Eusa na Briotáine. Tá sé i gceist staidéar comparáideach a dhéanamh ar ghné

éagsúla ag teacht le chéile ar feadh coicíse ar Enez Eusa.

Chomh maith leis an gcampas tá idir pholaiteoirí, lucht forbartha pobail agus eile ó Enez Eusa ag iarraidh ceangal a chothú idir an oileán sin agus Árainn agus tá sé i gceist acu cuairt a thabhairt ar Árainn am éigin sa bhliain nua chun dul i mbun an cheangail seo.
